

VOLUNTEER Spotlight

Fairview Health Services

“Great way for our office to come together and clean up our view!”

VOLUNTEERS SINCE:

2015

AREA:

Hwy 280
near Energy Park Drive
in St. Paul

Why we volunteer:

“It is the easiest way to help out Mother Earth and we enjoy our annual rite of spring! It is a great way for our office building to come together and clean up our view. We’ve even had managers in their dress shoes help out. Afterwards there are so many compliments about how nice it all looks.”
